Dear Fellow Senators,

Since the beginning of January things have been quieter than I had expected although I have a feeling that all is about to change.

The first weekend event of the year was centred on the Eden Project and I am really thankful to Peter Fulcher for all the time and travelling he put in to organise the event. Evidently I was not the only one wanting to visit the Eden Project because we filled the main hotel and some Senators had to book into alternative accommodation. It was even more of a success because we were joined by several Senators who we do not see very often, it was wonderful they were able to attend and we hope to see them again at other events during the year. As I said in my previous letter the Senate gives every member an opportunity to keep in touch with, and renew old friendships as well as to make new friends, so come on give it a try, come and join us.

By the time this mailing is sent out the weekend in Llangollen, North Wales, will have probably taken place. I know Peter and Morag have already put a lot of work into the planning and I am sure it will be as successful as the one they arranged a few years ago.

Wilf Shaw and Stephen Tendlow are looking after us during the weekend 14-16 May in Burnsall in the Yorkshire Dales. The Dales is an area of natural beauty, and Burnsall is a beautiful village with the Dales Way and River Wharfe going through it. Bolton Abbey and the famous Strid are not very far away, so come on if you have not already booked contact either Wilf or Stephen as soon as possible. If you live near enough, and are unable to join us for the full weekend we would love to see you for the dinner on the Saturday evening – it really is an event not to be missed.

June is the month for the European Conference which this year is being hosted by Lausanne, in Switzerland. I am aware that there is a large contingency attending from the British Senate and at least seven of us have also booked for the pre tour.

Apparently bookings have been very good for the Theatre weekend in Stratford-on-Avon, so if you are intending going and have not yet booked, contact Gayle as soon as possible to reserve your ticket.

The Crayfish party in Halmstad, Sweden takes place 6 – 8 August, if you are planning on being there will you please let me know so that we can organise our Saturday lunchtime performance, any suggestions regarding what we should do would be appreciated.

Well one event has passed but the rest of the year is still ahead of us so I hope to see many of you before the end of the year.

In Senate Friendship
